

TO WHOM IT MAY CONCERN

From: ICAR SpA

Monza, January 7th, 2009

Object: Compliance with Regulation CE 1907/2006 (REACH)

We hereby declare that:

- a) According to REACH regulation, ICAR is classified as “producer of articles”. Therefore, ICAR does not have any obligation in terms of pre-registration and registration of substances.
- b) ICAR has already verified throughout the supply chain that all the supplier are aware of REACH requirements, and it is their intention to respect REACH obligations. The full respect of ICAR requirements is mandatory for becoming ICAR supplier.
- c) All the products at present produced and sold by ICAR are free of any of the SVHC substances (Substances of Very High Concerns) included in the Candidate List, released on the ECHA (European Chemical Agency) website. ICAR assures that all the customer will be advised in case of presence of such substances (because of new product development and/or extension of the list of SVHC substances).

At your disposal for any further clarification you may need.

Best Regards

Ing. Andrea Fusi
Quality Manager
